

# Block

## Flowchart

In recent versions of prominent CAD programs, there is no command line option. Instead there is a dialog box with several settings.

Dialog box parameters

Label	Appearance	Type
Name	Text-box+Drop-down List	String
Description	Multi-line Text-box	String
Annotative Scaling	Checkbox	Bool
Apply uniform scale	Checkbox	Bool
Allow block to explode	Checkbox	Bool
Units	Drop-down List	string
<b>Basepoint</b>		
Select in graphic area	Button	Click
X	Text-Box	Decimal
Y	Text-Box	Decimal
Y	Text-Box	Decimal
